

PREMIER TAPE PRODUCTS 460 SUPREME

4-Inch Carpet Seam Tape

- **Knitted Scrim with MasterWeave Technology**
Scrim made with Premier's proprietary blend of natural fibers scrim that do not shrink or melt.
- **EXCLUSIVE™ Hot Melt Technology**
Hot melt that is smokeless and virtually odorless, low V.O.C's.
- **Low Profile Paper Applied with State of the Art Technology**
This produces more stable tape that reduces seam peaking and telegraphing that makes a flatter seams.
- **Strong Bonding - Fast Setting**
Extra heavy amber hot melt that has a lower melt point resin for quicker "burn".
- **Designed to handle the most difficult types of carpet backings**
Including SoftBac™, Axminster, Wilton or AdBac®

Premier 460 Supreme carries the CFI's IAP "Installer Friendly Seal"® and is recommended by Shaw Industries technical service department.
